

Loss Control Mobile Safety tool - RI Safety App

With our combination of technology and in-house loss control services, we can develop customized safety programs to help minimize workplace injuries and illnesses. You can level up loss control with our easy-to-use mobile safety app that can help you avoid common pitfalls and maintain critical safety touchpoints.

The app contains useful safety tips, guidelines and tools that can be applied to a variety of industries.

Using the App

- Take your phone with you while you walk through your facility. When you open the **RI app** click on the Get Started button, which describes the app features.
- Click on one of the blue buttons that is most appropriate for your business: **General Industry, Food Service or Construction.**
- Choose **Safety Observations** where you can make notes and take photos of employee safety behavior and work conditions. Email or upload the observations to your computer.
- Underneath the Safety Observations tab, you'll find tips and instructions in **Keys to Safety, Safety Topics** and the **Safety Training Log.**
