

Why Choose Republic?

Expertise **You'll work with industry experts.** Our employees are workers' compensation specialists, 100% focused on providing customers with reliable service and a value-added workers' compensation product.

Claims **We take care of people.** Injured workers will get the medical care they need to help them recover and return to work as soon as possible. Our claim examiner workloads are monitored to ensure adequate time to effectively manage each claim. Upon request from the producer of record, we will provide detailed status reports.

Loss Control **We'll work with you to help prevent workplace injuries and illnesses.** Our professional safety consultants can help you create industry-specific workplace safety and illness prevention programs, which can help improve productivity, control injury-related costs, and boost morale.

Obtain safety resources and programs, and safety-related website links at [Republic Indemnity](#). Download our workplace safety app (RI Loss Control app.) Available at the Apple store and Google Play.

Account Management **Manage your accounts on our secure, leading-edge technology platforms.** Producers can submit applications, print currently valued loss runs, view commission reports, and check policyholder payment status.

Policyholders can report payroll, report claims (available in AK, AZ, CA, CO, NV, and TX), check payment status, and pay premium via credit card or electronic fund transfers.

Financial Stability **You can feel confident doing business with us.** On December 16, 2022, AM Best affirmed the "A+" rating for Republic Indemnity Company of America and Republic Indemnity Company of California. These two companies have been rated "A-" (Excellent) or better by AM Best for over 40 years.
