

Why Choose Republic?

Expertise **You'll work with industry experts.** Our employees are workers' compensation specialists, 100% focused on providing customers with reliable service and a value-added workers' compensation product.

Claims **You can rely on our exceptional claims management.** We value the ongoing relationships we share with our producers and policyholders. Our claim examiner workloads are monitored to ensure adequate time to effectively manage each claim. Upon request from the producer of record, we will provide detailed status reports.

Loss Control **We'll work with you to help prevent workplace injuries and illnesses.** Our consultants, who are highly experienced and educated in the safety profession, are available to work with you to develop industry-specific workplace safety and illness prevention programs, which can help improve productivity, control injury-related costs, and boost morale.

Online Services **We'll give you the online tools you need.** You can access a variety of loss control materials including work safety resources and programs, safety posters, and links to safety-related websites.

Our *producers* can submit applications, print currently valued loss runs, view commission reports, and check policyholder payment status. Our *policyholders* can report payroll, report claims (currently available in AK, AZ, CA, CO, NV, and TX), check payment status, and pay premium via credit card or electronic fund transfers.
