

IMPORTANT NOTICE

TO ALL COLORADO POLICYHOLDERS

Re: Colorado Revised Statute 8-43-404(5)(a), (Designated Medical Providers)

Effective April 1, 2015, employers shall provide a list of at least four physicians or four medical providers or at least two physicians and two medical providers, where available, from which an injured employee may select their initial treating physician. If the list is not provided to the injured employee at the time of injury, the employee shall have the right to select a physician or chiropractor of his or her choice.

Republic Indemnity is providing the attached list of medical providers that will assist you in providing first instance medical provider choices to your injured employee under the Colorado Revised Statute 8-43-404(5)(a). If a medical provider on the list is not within reasonable distance of your place of business, please contact our Colorado Claims Representative Donell Cambern for assistance at 602-224-4604.

Thank you for selecting Republic Indemnity Company as your Workers' Compensation Carrier. Visit our website at www.republicindemnity.com.
